British history who

helped shape our laws

and democracy. (FBV

Literacy

We will write reports based on our visits to different locations.

The children will create stories based on significant buildings and people in the UK.

We will explore work by a range of different UK poets.

The children will also be starting a new literacy shed topic, 'Marshmallow'

We will also continue to develop our knowledge about different spelling, grammar and punctuation rules.

We will celebrate the marriage of Prince Harry and Meghan Markle and write letters of congratulations.

D&T / Art

We will draw and paint images of the landscapes and cities we are studying.

We will look at some popular UK artists to get inspiration for our own art pieces.

Computing

The children will be using technology for data collecting and explore which programmes we can use to represent and store data about the UK.

We will look at online information about the UK and discuss the concept of 'fake news' and explore sites that can be trusted for reliable information.

P.E.

The children will focus on cricket with a qualified cricket coach.

Superstars coaching ball games.

Music

The children will study Edward Elgar and his composition 'The Land of Hope and Glory'

We will visit the Malvern Hills, to see what inspired Elgar to compose the music.

The children will create their own compositions based on their favourite location in the UK.
