18<sup>th</sup> March 2020

Dear Parents and Families,

As a school, we recognise how important school dinners are to some families and in the event of school closure we want to ensure that we are prepared to support those children and families who are most in need. At this stage we are asking all our families with children eligible for Free School Meals to indicate below whether they would be in need of a lunch for their child/ren in the event of closure. This includes children in receipt of universal school meals in Reception, Year One and Year Two, and those children who are older and are currently in receipt of FSM (based on income).

We are at present trying to see how we can make this happen and at present are exploring three possibilities:

- Liaising with local cafés to see if they would be able to provide a lunch to be picked up.
- Looking at making lunches as staff and potentially delivering these as required or arranging a pick up point.

If you feel that this would be something that would help you, please call school 01531 650340 by Friday 20<sup>th</sup> March.

Kind Regards,

Laura Hankins and Sue Thornley
